Vote in Treasurer- Motion to nominate Trey Files was approved unanimously.

Committees:

Friday Night Stripes- Geraldine Bien and Katie Gesue will chair the first event on October 4th. This recreational night has been well-attended with approximately 150 children, more 5th and 6th graders than 7th and 8th. Discussion regarding more ideas to draw in the older grades (atmospheric themes, juggler parent Alex Dyer, minute to win it games) ensued. A student-government survey was mentioned to retrieve feedback. These events have been supported by the faculty.

Back to School Nights- Parents are needed to run the membership tables. We'll invite the Booster Club to sell their hooded sweatshirts, not to conflict with CET PTA Spiritwear.

Hospitality will provide refreshments (seltzer, water, bag snacks).

Budget- Deferred to next meeting.

Membership- Discussion regarding Member Hub and our current online/paper form followed. Liz will update the website to reflect all form fields captured in the print form. Updates will also be made to the language for donations. "If you would like to make an additional donation, please just add it to your \$21 membership and enter the total in Paypal."

New Business-

Enrichment- Lisa Dwyer requested scholarship funding for instrument rental. Up to \$200 was approved. Last year \$330 was covered. PTA is required to enrich all students.

Student ID # is needed for MySchoolBucks parent portal. There is a \$2.50 fee per transaction.

Next Meeting is scheduled for Friday, October 4th @8:30am at the Black Cow.
